## ACCOMPLISHMENTS

---

- **KAICIID International Fellow** - KAICIID International Fellows Programme is a one-year learning and training programme that will empower institutions that train future religious leaders by providing capacity-building to select teachers. KAICIID is the only intergovernmental organization with a Board of Directors made up of representatives from major world religions. The Founding States of the Centre (Kingdom of Saudi Arabia, Republic of Austria and Kingdom of Spain) constitute the “Council of Parties” responsible for overseeing the work of the Centre; the Holy See is admitted as a Founding Observer to the Centre.
- **Leadership scholar at The Lay Centre at Foyer Unitas**- The Lay Centre is home to an international ecumenical and interreligious student community, engaging in "a dialogue of daily life". Residents are offered cultural, spiritual and social activities that complement their studies and equip them for leadership. Leadership scholarship provides a formation program to run a community or a Non-profit organization. Every scholar is responsible for different areas (liturgy, events and groups, security and facilities, communication ad intra, communication ad extra). For more info, please contact the Director, Professor Donna Orsuto [director@laycentre.org](mailto:director@laycentre.org)
